npIX Update, SANOG IV, 23-30 July, 2004 Kathmandu, Nepal

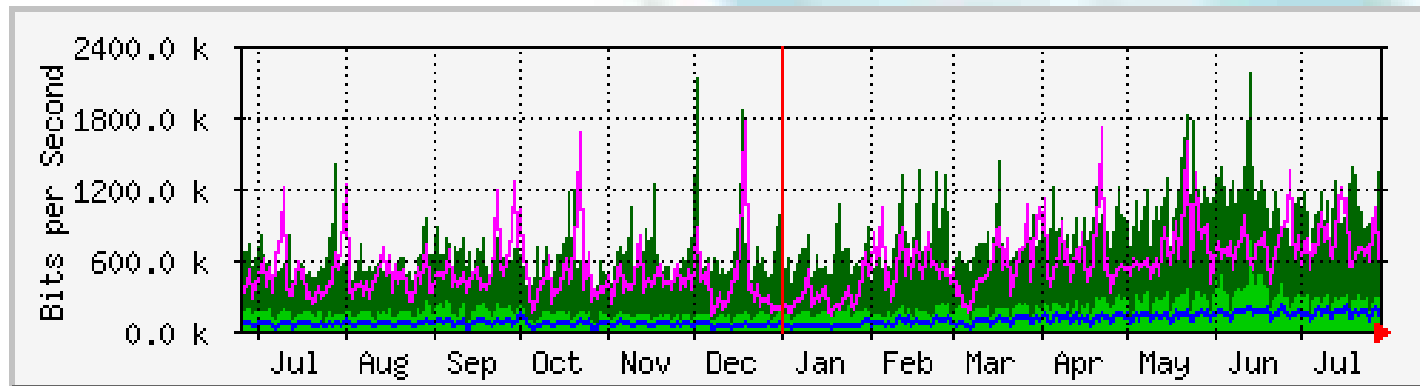

New ?

- Nepal Telecom to join soon. Circuits ordered
- UPS upgraded
- Route collector functioning since Wednesday
- SLC results hosted outside KTM... so only about 2 MB of traffic flow
- Other ISPs joining soon, now we have 6.

Traffic

- Significant increase observed

What next ?

- v6 peering .. We've got the address space now
- Routing Registry
- Cache share...
